## WARRANT

---

### The State of New Hampshire

To the Inhabitants of the Town of Plymouth in the County of Grafton in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Music Hall in said Plymouth on Tuesday, the thirteenth day of March next, at nine of the clock in the forenoon, to act upon the following subjects:

1. To elect one selectman for three years; and all other necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year, and make appropriation of the same.
3. To see what sum of money the town will vote to raise or appropriate, in addition to that required by law, for the support and maintenance of the Free Public Library.
4. To raise such sums of money as may be necessary for the repair of highways, including town maintenance, state aid maintenance, and trunk line maintenance.
5. To see what sum of money the town will vote to raise or appropriate to pay firemen.
6. To see if the town will vote to authorize the selectmen to borrow money to pay the debts of the town and give notes therefor, countersigned by the Town Treasurer, said notes to be exempt from taxation.
7. To see what sum of money the town will vote to raise or appropriate for the decoration of soldiers' graves.
8. To choose a Library Trustee for a term of three years.

9. To see what sum of money the town will vote to raise of appropriate to pay a band for open air concerts during the summer of 1923.
10. To see what action the town will take in regard to oiling the streets.
11. To see what sum of money the town will vote to raise for sidewalks.
12. To choose a Trustee for a term of three years to have the care of trust property.
13. To see what action the town will take through a committee of three to be elected in regard to making contract for lighting the streets.
14. To see what action the town will take in regard to observing Old Home Week.
15. To see what sum of money the town will vote to raise and appropriate for the purpose of aiding and assisting in maintaining the Emily Balch and Soldiers' and Sailors' Memorial Hospital.
16. To see what sum of money the town will vote to raise or appropriate for defraying the expenses of a District Nurse, or to take any other action relative thereto.
17. To see what action the town will take in regard to raising money for protection against Pine Blister.
18. To bring in your ballots upon the question as to whether the amendment proposed by the convention to revise the Constitution shall be approved.
19. To see what action the town will take in regard to building a Town Hall.

**ANNUAL REPORT**  
**PLYMOUTH FIRE DISTRICT**

## WARRANT

---

### The State of New Hampshire

To the inhabitants of Plymouth Village Fire District, qualified to vote in District Affairs.

You are hereby notified to meet at Music Hall on Tuesday the twentieth day of March next, at eight o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the ensuing year.
2. To choose a Clerk for the ensuing year.
3. To choose three Commissioners for the ensuing year.
4. To choose a Treasurer for the ensuing year.
5. To see if the District will vote to change the term of office for Water Commissioner  
If so, to elect one Commissioner for one year,  
One Commissioner for two years,  
One Commissioner for three years, hereafter  
to elect one Commissioner each year for the  
term of three years.
6. If Article 5 is not adopted, to elect three Commissioners for the ensuing year.
7. To choose Auditors for the ensuing year.
8. To see what sum of money the District will vote to pay the Methodist Society for use of Church and bell for electric fire alarm purposes for the ensuing year.
9. To see what sum of money the District will vote to raise for fire apparatus, supplies, care of electric fire alarm system, pay of firemen and other necessary expenses of said District for the ensuing year.
10. To see what sum of money the District will vote to raise for water for District purposes for the ensuing year.

11. To see what sum of money the District will vote to raise for sewer purposes for the ensuing year.
12. To see what action the town will take in regard to installing a suitable Fire Alarm System.
13. To see what action the town will take in regard to extending the Fire Alarm System to Livermore Falls and to placing a fire alarm box near the Hospital.
14. To see what action the town will take in regard to purchasing a suitable conveyance for winter use, for fire protection.
15. To see if the District will vote to authorize its Commissioners to borrow such sums of money as may be necessary to pay the debts of the District, and give notes therefor, countersigned by the District Treasurer.
16. To see what action the District will take in regard to salary of Water Commissioners.

Given under our hands and common seal this twenty-first day of February, in the year of our Lord nineteen hundred and twenty-three.

W. T. SIMONDS,

F. N. CHASE,

JOHN PEPPARD,

Commissioners of Plymouth Village District.

W. J. RANDOLPH,

M. A. BATCHELDER,

Auditors.

February 12, 1923.

---

## FIRE COMMISSIONERS' REPORT

---

### Fire Department

There have been five bell alarms, four out-of-town calls, twenty-seven chimney fires, four still alarms and one brush fire during the past year. We have added some new apparatus during the year including two smoke-masks and two new fire alarm boxes. We have painted the hose house and made necessary repairs on the roof.

We have paid \$2,000.00 on the debt of the Fire Department, leaving a balance of \$1,000.00. We recommend raising \$1,000.00 to pay the balance of the note this year.

### Sewer Department

We have had considerable expense in maintenance and new construction work on Main and Garland streets, necessitating an expenditure of \$1,962.85 for labor and supplies. This work was done in conjunction with the Water Department on the two streets. Because of the new construction, it was necessary to borrow \$1,000.00 which leaves the Sewer Department owing one note of \$750.00 and one of \$1,000.00.

A statement of the expenditures of both Fire and Sewer Departments for the past year and our recommendation for the coming year follows:

## Fire Department

	Actual 1922	Estimated 1923
Fuel	\$282.60	\$250.00
Electric current for lights; fire alarm and storage battery on truck	78.40	100.00
Insurance	119.25	125.00
Pay of firemen	1,724.37	2,000.00
Salaries of district officers	200.00	200.00
Water for fire protection	1,500.00	1,500.00
Miscellaneous	48.93	100.00
General maintenance and repairs	236.53	500.00
Interest	150.00	50.00
New apparatus and supplies	240.48	100.00
Paid on notes	2,000.00	1,000.00
Methodist Society for use of bell	15.00	15.00
	\$6,595.56	\$5,940.00

## Sewer Department

Maintenance	\$49.25	\$100.00
New work and to apply on note		2,000.00
Labor	\$1,381.01	
Supplies	487.59	1,868.60
Interest on district note	45.00	
	\$1,962.85	\$2,100.00

## Water Department

### Receipts

Cash on hand Jan. 31, 1922	\$34.83
Water rents due Jan. 1, 1922	1,218.40
Water rents due July 1, 1922	4,859.42
Water rents due Jan. 1, 1923	3,500.03
Raised for water for district purposes	1,500.00
Labor and supplies	139.21
	\$11,251.89

### Expenditures

Paid on 97 orders by commissioners as follows:

#### Debt Account

Notes balance of Series No. 3 due Jan. 15, 1923	\$1,000.00
--	------------

Notes, Series No. 4 due Jan. 15, 1924	2,500.00
Notes, part of Series No. 5 due Jan. 15, 1925	1,500.00
Interest on notes to Jan. 15, 1923	1,450.00

---

\$6,450.00

Net reduction of interest bearing debt \$5,000.00

### **Maintenance Account**

Superintendence	\$425.32
Superintendence expenses	5.00
Pumping station	
Repairs	5.60
Steam power	7.00
Electric power	1,406.40
Supplies	221.03
Supervision (Foster's)	275.50

### **Main and Service Pipes**

Labor	781.19
Supplies	475.19

### Financial Statement

#### Assets

Water system, estimated value Jan. 31, 1923	\$76,942.92
Cash on hand	539.86
Unpaid charges due Jan. 1, 1922	47.87
Unpaid charges due July 1, 1922	102.56
Unpaid charges due Jan. 1, 1923	3,700.00
Cost of new construction	500.00

	<hr/>
	\$81,833.21
Increase of assets over last year	3,429.32

#### Liabilities

District notes at 5%	\$16,000.00
District notes at 4½%	10,000.00
Interest on district notes Jan. 15, 1923 to Jan. 31, 1923	51.92

	<hr/>
	\$26,051.92
Balance in favor of district	\$55,781.29
Increase in favor of district over last year	\$8,439.90

We have examined the foregoing accounts of Gordon Clay, Treasurer of the Water Department of Plymouth Village Fire District, and find same correctly cast and properly vouched.

W. J. RANDOLPH,  
M. A. BATCHELDER,

Auditors.

Feb. 12, 1923.

The accounts of Gordon M. Clay, Treasurer of Water Department of the Plymouth Village Fire District, Fire Department and Sewer Department, were audited last year for 1921 and found correct, but the auditors' report was inadvertently omitted from the printed report for that year.

W. J. RANDOLPH,  
M. A. BATCHELDER,

Auditors.

---

## REPORT OF THE WATER COMMISSIONERS

---

Shortly after the election of the present board of commissioners we were presented with an unsettled claim from the Boston & Maine R. R. of over payment in 1920 and 1921 of some over \$3,500.00. The new board was at once placed in a very uncertain position. After making all the investigation possible without knowing the business of the former board it seemed to us that at least a part of their claim was just. We have been unable as yet to get a final settlement, but hope to do so before the March meeting as we have made them an offer for settlement. The offer expires before the March meeting so if it is not settled before that time the new board will have a free hand.

\$2,700.00 of the item \$3,700.00 due the district is due from the Boston & Maine R. R. unquestioned but held back on account of the claim.

The Boston & Maine R. R. also desire to make a contract with the Water Department for a term of years to furnish water for their locomotives. This would call for about 90,000 gallons daily.

We have surveyed and have the permission from the state to take in a new running supply, which would increase the supply without so much pumping expense and it is the opinion of the present board that the deal ought to be carried through. The new supply is not necessary at the present time unless the deal is made with the B. & M. R. R.

The commissioners would recommend making a connection of the wooden pipe on Hawthorne St. with the main line either on Highland or Peasant St. This to be done to relieve the dead end which has caused the water on Hawthorne St. to be very bad.

Respectfully submitted,

J. S. RENFREW,

E. E. BENJAMIN,

J. A. BLAISDELL,

Water Commissioners.

**Thirty-Eighth**  
**ANNUAL REPORT**  
**TOWN SCHOOL DISTRICT**

# WARRANT FOR PLYMOUTH SCHOOL DISTRICT ANNUAL MEETING

---

## State of New Hampshire

GRAFTON ss.

To the inhabitants of the school district in  
(L. S.) the town of Plymouth in said county of Grafton qualified to vote in district affairs.

### GREETING : —

You are hereby notified to meet at Music Hall in said district on Tuesday, the thirteenth day of March, 1923, at two o'clock in the afternoon, to act upon the following subjects:

1. To choose a moderator for the ensuing year.
2. To choose a clerk for the ensuing year.
3. To choose a treasurer for the fiscal year beginning July 1, 1923, and ending June 30, 1924.
4. To choose a member of the school board for the ensuing three years.
5. To see what sums of money the district will vote to raise to pay the salaries of the district officers for the ensuing year and to fix the amounts of said salaries.
6. To see what alterations the district will vote to make in the estimates of the school board as to the amount of money required for the support of schools and payment of the statutory obligations of the district, and to see what further sums of money the district will vote to raise to procure land for schoolhouse lots, for building, repairing and maintaining schoolhouses, outbuildings, fences and grounds connected therewith, for providing suitable furniture, apparatus and conveniences for schools and schoolhouses, and to pay the debts of the district.

7. To see if the district will vote to authorize the school board to borrow money to pay the debts of district and to give therefor notes of the district countersigned by the district treasurer.
8. To see what sums of money the district will vote to raise to cover the expense of medical supervision of the schools for the ensuing year.
9. To see what sums of money the district will vote to raise to enable the Supervisory Union of which it is a member, to increase the salary of the superintendent of schools above the minimum fixed by law, and to pay other expenses of superintendence.
10. To see what action the district will take, if any, in providing a suitable place for playing basketball or such other athletics as may be advisable, and to take such further action as may seem wise toward the future construction of any additional school buildings, and to see what sums of money the district will vote to raise and appropriate for the same.

GIVEN UNDER OUR HANDS AND COMMON SEAL this twenty-sixth day February, A. D. 1923, at Plymouth aforesaid.

A true copy, ATTEST:

HEBER W. HULL,  
RANDALL A. FLAGG,  
J. E. MAYNARD,

School Board of Plymouth.

February 12, 1923.

We have today examined the foregoing account of Donna P. Greeley, Treasurer of the School District of the town of Plymouth, for the year ending June 30, 1922, and have found same correctly cast and properly vouched. At the same time we have burned bonds of the old high school loan, Nos. 82 and 83, amounting to \$2,000.00, and of the model school loan Nos. 83, 84, 85, 86, 87, 88, 89, 90, 91, 92, 93, 94, 95, amounting to \$2,500.00, and coupons of the old high and model school loans, amounting to \$1,113.00, and of the new high school loan amounting to \$1,000.00.

W. J. RANDOLPH,  
M. A. BATCHELDER,  
Auditors.

## REPORT OF SCHOOL BOARD

---

The reports of our Superintendent of Schools and our Medical Examiner found on the following pages will give you in detail the management of our schools which we believe are in good condition and will compare most favorably with schools of other towns throughout the state.

Each year brings an additional number of pupils to our high school which makes it necessary to spend more money for equipment and supplies, and this year will be no exception.

Our financial report is self explanatory. Last year we raised \$500.00 to paint the district school-houses, but owing to high cost of lead and oil the dire necessity of two coats of paint for each building, we did not have sufficient amount of money to complete them all, but have made allowance in our estimates to do so this year.

The work of our Superintendent, high school faculty and the teachers of our district schools have all been very satisfactory. They all seem to work in harmony and have the best interest of your children in mind, and we feel that they all are entitled to our thanks and appreciation.

We estimate that the school requirements for the following year will be about as follows:

Principal of bonds	\$4,500.00
Interest on bonds	1,500.00
Teachers' salaries	18,000.00
Janitors' salaries	1,500.00
Text books and supplies	2,500.00
High school equipment	1,000.00
Fuel	1,500.00
Repairs	1,200.00
Painting district schools	300.00
Insurance	1,000.00
Per capita tax	1,000.00
Miscellaneous	1,500.00
Total requirements	\$35,500.00

## Estimated Receipts to Apply on

### Above Requirements

Tuitions	\$3,500.00
Required by law	8,000.00
Per capita tax	1,000.00

Total	<u>\$12,500.00</u>
-------	--------------------

Additional school money required	<u>\$23,000.00</u>
----------------------------------	--------------------

We recommend that the sum of \$23,000.00 be raised for the purposes specified in article six of the warrant in addition to the amount required by law and the per capita tax, with authority given to the school board to appropriate the same as above, or otherwise as necessity may require.

Money for superintendent's excess salary and expenses and for medical inspection should be raised in addition under the respective articles covering these matters.

Respectfully submitted,

HEBER W. HULL,  
RANDALL A. FLAGG,  
J. E. MAYNARD,

School Board of Plymouth.

## SUPERINTENDENT'S REPORT

---

School Board of Plymouth,

Gentlemen:

The report of the superintendent of schools is herewith presented in two parts; the first dealing with the school year ending June 30, 1922; the second with the present scholastic year.

### Part I—School Year Ending June 30, 1922

In his report of a year ago the superintendent outlined, briefly, the general policy followed during the year. The following statistics are given as presenting a summary of the main facts:

Total registration of pupils in the schools of Plymouth was: Boys—295, girls—298, total—593, distributed as follows: Kindergarten—20, model school grades—226, rural schools—165, high school—185. There were 68 non-resident pupils leaving a total of 525 Plymouth children in all the different schools. Average attendance 495.94, average absence 31.44, average membership 527.38. Number cases of tardiness 863, averaging about 1.6 tardy marks per pupil of average membership. The superintendent was credited with a total of 682 visits.

The work of the year was completed successfully by 471 pupils who were duly promoted. All the elementary schools were open the full thirty-six weeks, and the high school completed the usual thirty-eight weeks of the high school year.

### Part II—The Present School Year.

The superintendent has two definite aims in his work with the Plymouth schools. The first of these is to maintain as high a standard of instruction as possible that the children of Plymouth may realize their rights to a serviceable education. Class room visits, conferences, teachers' meetings, the use of standard

tests for classification and instruction, and pupil accounting and guidance are means employed to attain this objective.

The second aim is to secure a unified school system well articulated from Kindergarten through high school to the end that our children may move through the entire system with as little friction and waste as possible. One may judge somewhat from the record of Plymouth children in this year's freshman class in Plymouth high school as to the success which is being attained in the direction of high school preparation.

Of the twenty-one pupils graduating from the eighth grade of the model schools last June eighteen entered Plymouth High. Two have subsequently withdrawn; one because of serious family illness, the other because of removal. Fifteen of those remaining completed successfully the semester's work. The average rank of the entire sixteen was 82.6.

Ten pupils graduated from the eighth grade of the rural schools, nine of whom entered the high school. One withdrew from lack of interest in the high school studies. The remaining eight completed their half year with an average of 81.3.

The average of all the eighth grade graduates of June 1922 of the Plymouth schools the first semester in Plymouth high school was 82.2.

### **The High School**

We are fortunate in being able to retain Mr. Orcutt in the face of a flattering offer that he received to become head of the Latin Department of Packer Classical Institute, a well established and notable Junior College in New York City. His position as headmaster of Plymouth high school assures the continuance of the high quality of instruction and firm organization characteristic of the school in the past. At the beginning of the year the high school staff enrolled but one inexperienced teacher. Four out of the eight teachers had spent most of their summer vacation in professional study in the summer sessions of regular colleges. After four years of excellent ser-

vice Submaster McGreal was called to the mathematics department of the large high school at Waterbury, Connecticut, and terminated his work here on February 13. His position has been satisfactorily filled by the appointment of Mr. David Crockett of Bates College, a world war veteran of the Yankee Division. The crowded schedules of all our teachers made effective work impossible. The imperative need has been met by the election to the teaching force of Mr. W. J. Aschenback of Dartmouth College. The new appointments assure also for the boys of the school effective leadership in physical training and athletics.

That the school is performing well its function of preparation for further education is shown by the record of the graduates of 1922 in post-secondary institutions. Nine out of twenty-two are now in colleges or Normal schools and are all reported as doing satisfactory work for the first half year.

The graduating class for next June will be larger than last year's class. In fact a steady increase in the numbers of the graduating class suggests that the school is at once increasing its holding power and its attractiveness to young people who complete the elementary grades.

The steady progress of the school in educational matters is evidenced by certain features. Mrs. Verne Pierce was appointed Dean of girls, and has proved in the position an effective force in the moral and social life of both the girls and boys. The High School Forum has become definitely established as a valuable adjunct of the school. This year will see the third prize-speaking contest which is already being planned with an accession of interest on the part of the pupils. The interest in athletics is increasing. Football was resumed last fall after a lapse of eighteen years. Three major sports; football, basketball and baseball are fostered. There is a strong possibility of a track meet in the spring. Nevertheless the scholastic standing of the pupils is being maintained, and the high average of 80 is required of all members of the athletic teams.

The work of instruction in the regular studies is kept at high grade. The "Three R's," too, are not

forgotton. All teachers cooperate in eliminating spelling errors. Special handwriting classes are maintained for those deficient in the skill. Reviews in arithmetic for the seniors according to individual need are being carried on. The intention is to allow no one to graduate who can not show reasonable proficiency in the fundamental processes.

Some reorganization of courses is desirable for closer articulation with the elementary schools. There is also a demand for the inclusion of a greater number of optional courses to meet the varying needs of individual pupils.

The total registrati<sup>o</sup>n in the high school this year is 188.

### **The Model Schools**

Miss Tighe, the efficient head of the model schools for 1921-1922, was granted a leave of absence at the end of the school year. Her place, as principal, is being successfully taken by Mrs. Lillian Sanborn Conway. A corps of devoted and loyal critic teachers are closely and effectively supervising the work in the interests of the Plymouth children under the personal direction of the superintendent.

The total registration has reached 277 this year.

### **The Rural Schools**

Three changes were made in the teaching force at the beginning of the school year. Miss Mary Riley, after many years of faithful and effective teaching in our schools, retired from our system. Mrs. Kate Smith was transferred from Lower Intervale to take Miss Riley's place at Ward's Hill. Miss Della Greely of Orford, a graduate of Plymouth Normal and a teacher of successful experience, took over the Lower Intervale school. Miss Beatrice Merrill of Plymouth succeeded Miss Hubbard in the Sargent district.

Attendance has been sadly broken this year by sickness and inclement weather. The roads in the Turnpike district have been occasionally impassable. The school has been forced to close part of the time. Somewhat similar conditions have obtained at Ward's

Hill. Yet we are confident that all our schools will be able to complete their full thirty-six weeks before July 1.

In all the country schools a good grade of instruction is being carried on through the cooperation of earnest teachers and eager pupils. The total registration in all the rural schools is 151.

In all our schools together we have this year a total registration of 616 pupils.

### **Medical Inspection**

Dr. Chase's report contains the details of his findings as School Physician. His work has been done with painstaking thoroughness and sympathetic understanding. It remains for us to make his efforts truly effective by employing a school nurse.

### **Needs and Recommendations**

1. Increases in salary should be provided sufficient to hold our best teachers.

2. As noted above a school nurse is needed. Her services would be of inestimable value.

3. Health is so fundamental to success and happiness in life that physical training is undoubtedly the most important business of education. Our boys and girls have no gymnasium. The natural growth of our schools demands more floor space in the near future. It therefore seems appropriate to recommend the construction of a modern gymnasium for use not later than the beginning of the next school year. Such a structure might well be designed for community purposes and thereby meet a real need in the town.

### **In Conclusion**

The superintendent wishes to express his grateful appreciation of the cooperation of the people of Plymouth, and desires also to thank the School Board for their great consideration and kindness.

Respectfully submitted,

GUY E. SPEARE,

Superintendent of Schools.

## MEDICAL EXAMINER'S REPORT

---

To the School Board of the Town of Plymouth, N. H.:

Report of work done in Plymouth Town School District for the year ending February 1, 1923.

This is my second year as School Examiner and by comparing the following figures it will be seen that some good has been accomplished. We have examined 572 scholars this year as against 500 last year and have found the following improvement:

Unvaccinated, 72 as against 92 last year, an improvement of more than 21 per cent.; 42 cases of enlarged tonsils against 59 last year, a gain of nearly 29 per cent; 10 cases of adenoids with 15 last year, 33 per cent gain; only 3 cases of skin disease with the former record of 14, a gain of 78 per cent; and 10 cases of defective hearing against 20 the previous year, 50 per cent gain. There were 32 pupils having defective visions with a record of 56 the year before, showing 43 per cent gain. One case of enlarged glands against six of the previous record and three cases of malnutrition instead of 8, a gain of 62 per cent. The teeth of the pupils showed the least improvement there being 30 cases with only  $7\frac{1}{2}$  per cent gain and 15 per cent gain over pediculosis or head lice.

The above figures show a gratifying result in favor of yearly medical inspection of the children of the public schools but still is far from what it should be, especially in lack of vaccination and lice as there should not be a single case of either and if the parents would try and do their duty, especially in cleaning the lice from the childrens' heads, there would be none to report.

One of the hardest things that we have had to do was to convince the parents of the importance of this particular part of the work, in fact we had to get the Board of Health to assist us. Then with the backing of the State Board represented by the state nurse, who visited one school and several families, we made better progress and at the present time so far as

known, conditions are very good, showing the importance of "follow up" work.

With a study of the above figures shown and the general improvement in the sanitary conditions of the schools with the bettered conditions of the children generally, especially with the tonsils, eyes, skin and teeth, I leave it for others to say whether medical inspection should be carried on or not.

One thing more I wish to suggest, that the model school needs some place for physical training and recreation and with the help that I think can be obtained from the state, a nice gymnasium should be had in the near future.

Respectfully submitted,

E. C. CHASE,

Medical Examiner.

Wallace, Phineas Wheeler, Harold E. Whitcher, Horace A. Whitcher, Beatrice M. Wilkie, Eugene L. Worthen, Thomas White.

## Model Schools

### Perfect For the Year

#### Grade 3

Ruby Brown, Edna Downing.

#### Grade 4

Roy Brown, Leonard Clifford, William Clifford.

#### Grade 6

Marguerite Brown, Kenneth Dane, Mildred Plummer.

#### Grade 7

Harold Cayes, Ralph Clifford, Grover Dolloff, Nolan Hikel, Katherine Jessen.

#### Grade 8

Ruth Brogan, Winfred Cummings, Hazel Stuart, Alfred O'Donnell.

### Perfect Attendance by Half Years

#### First half only

#### Grade 3

Arlond Carroll, Eben Hoag.

#### Grade 4

Earl Avery, Thelma Boynton, Louis Clifford, Edmund Clough, Flora Gilmore, Moses Saliba.

#### Grade 5

Evelyn Abdelnour, John Fletcher.

#### Grade 6

Alfred White.

#### Grade 7

Wesley Copplesstone, Wesley Dustin, Carolyn Flanders, Rose Hull, Russell Jones, Kermit Ralph, Henry Stiles, Fred Williamson, Mark Worthen.

#### Grade 8

Greta McCutcheon.

## **Roll of Perfect Attendance**

### **For Second Half Only**

#### **Grade 3**

Nataline Sullivan, Millicent Brown.

#### **Grade 5**

Albert Fosie.

#### **Grade 6**

Leslie Donnelly, Mildred Fosie, Russell Simonds.

## **Rural Schools**

### **Perfect For the Year**

#### **Livermore**

Malcolm Bowles, Doris Bowles, Mae Blaisdell.

#### **Lower Intervale**

Wellman Lougee.

#### **Turnpike**

Roger Sanborn, William Sanborn.

#### **Ward's Hill**

Bernard Joyce, Josephine Joyce, Lena Joyce, Lela Joyce, Olive Joyce, Gertrude Nutting, Grace Philbrick.

### **Perfect Attendance by Half Years**

#### **First half only**

#### **Baker River**

Harold Page, Zanita Spencer.

#### **Livermore**

Charles Gilbert, Clara Moulton.

#### **Lower Intervale**

Everett Amsden, Clara Piper.

Ward's Hill

Lillian Joyce.

Second half year only

Baker River

Charlie Spencer.

Livermore

Oliver Sherburn, John Wheeler, Jr.

Lower Intervale

Frances Cass.

Sargent

Katherine Keniston, Ruth Keniston.
